

UNSM'S CARBON SURCHARGE POLICY & FUND

As a means to mitigate greenhouse gas emissions and make UNSM's practices more sustainable, the Board of Directors passed a motion on June 8, 2012 to support a \$5 carbon surcharge on spring and fall conference registration fees. All money collected is held in a special fund and disbursed annually to a municipality to support a local, small-scale sustainability project.

Applications for this year's Carbon Surcharge Fund are being accepted until October 14 and the recipient will be announced during the conference opening on November 30. For more information about this initiative, please contact Debbie at UNSM by telephone (902 423-8312) or email (dnielsen@unsm.ca).
