

**TO: Mayors, Wardens and Councillors, All Units**  
**FROM: Debbie Nielsen, Infrastructure & Sustainability Officer, UNSM**  
**SUBJECT: UPCOMING ASSET MANAGEMENT TELECONFERENCE MEETING TO DISCUSS FCM FUNDING & POTENTIAL MUNICIPAL PROJECTS**

As a following up to the recent announcement that FCM is accepting funding applications for its [Municipal Asset Management Program](#) (MAMP), UNSM wanted to remind municipalities that it is in the process of organizing a teleconference meeting in the coming weeks to provide details on the Province's asset management program and to answer questions about FCM's MAMP funding. The teleconference meeting will give municipalities an opportunity to discuss any initial project ideas they may be considering for FCM's MAMP funding to ensure they align with Nova Scotia's asset management initiative. As soon as UNSM has confirmed a date for the teleconference meeting with its speakers, it will send the details to all municipalities and invite them to register. So please stay tuned!

In the meantime, if you have any questions, please contact Debbie at [dnielsen@unsm.ca](mailto:dnielsen@unsm.ca).
