

Outcomes for the Day

- *To initiate a strategy for municipalities to create a fairer taxation system with respect to forest properties*
- *To initiate a strategy that gives municipalities a greater role in the management of Crown Lands*
- *To encourage municipalities to develop ecotourism opportunities through utilizing the natural environment including forests*
- ***Deliverable: Following the workshop, UNSM staff to prepare a discussion paper for its membership outlining in more detail items 1, 2, and 3. Once finalized, discussion paper would be submitted to the Province for consideration***
