

GRANTS—Municipality: Provincial and Territorial Infrastructure Component (PTIC)- New Building Canada Fund (2014-2024)

Grant Name	Purpose	Who Is Eligible?	How to Apply	Other	Grant/Program Type
Provincial and Territorial Infrastructure Component (PTIC)- New Building Canada Fund (2014-2024)	Each province and territory (P/T) is allocated a specific amount of funding from the federal government under the Provincial-Territorial Infrastructure Component (PTIC) of the 2014 New Building Canada Fund. Funding amounts are allocated to each province and territory over the ten-year duration of the 2014 New Building Canada Plan (2014-2024). Under the \$10-billion Provincial-Territorial Infrastructure Component, each province and territory will receive a base funding amount of \$250 million (\$25 million per year over 10 years) plus a per capita amount based on the 2011 Census.
