Atlantic Innovation Fund - ACOA	A part of the Government of Canada’s commitment to increasing business productivity, growth and competitiveness, the AIF is helping Atlantic Canada compete at home and abroad by supporting the development of innovative products and services that lead to commercial success. The AIF helps Atlantic Canadians develop and bring to market new products and services that lead to market success, help grow strategic sectors, or lead to the creation of research and commercialization partnerships.	<p>Eligible applicants include private-sector businesses, universities, colleges, non-government research organizations and provincial Crown corporations operating in Atlantic Canada.</p> <p>Federal departments, including federal research laboratories and institutes, and provincial government departments are not eligible recipients under the AIF.</p>	http://www.acoa-apeca.gc.ca/eng/ImLookingFor/ProgramInformation/AtlanticInnovationFund/Pages/AtlanticInnovationFund.aspx	Download a project concept template and submit to local ACOA office: http://www.acoa-apeca.gc.ca/eng/ImLookingFor/ProgramInformation/AtlanticInnovationFund/Pages/AtlanticInnovationFund.aspx	The AIF can provide assistance of up to 80 per cent of total eligible costs for projects led by not-for-profit organizations and up to 75 per cent of total eligible costs for private-sector-led projects. It should be noted that the AIF assistance for eligible building and major renovation costs would not normally exceed 30 per cent of the costs. Applicants seeking innovation funding between \$500,000 and \$3 million can be considered under the AIF.	<p><u>Regional Office</u> <u>1801 Hollis Street, Suite 700</u> <u>P.O.
