Greening Canada's School Grounds - Tree Canada	It's time to revitalize Canada's school grounds by planting trees! Trees provide shade and protection from solar radiation, and add beauty to the playgrounds and fields where our children play and learn.	Schools across Canada are eligible to apply.	Select the "Apply Now" sections at the following link: <a href="https://treecanada.ca/en/programs/greening-canadas-school-grounds/">https://treecanada.ca/en/programs/greening-canadas-school-grounds/</a>	Schools can apply anytime, as we are in touch with sponsors all over Canada. Applications are accepted year-round, and we'll keep your request on file for two years	Application is available online, no other documentation is required.	Varies.	Creating an interactive, educational landscape engages youths' curiosity and gives parents, teachers, and staff the opportunity to take part in learning, too. The planning and maintenance of school gardens and trees is undertaken by the school community, with opportunities for students to make their own contributions, and with help from Tree Canada experts.	<a href="https://treecanada.ca/en/programs/greening-canadas-school-grounds/">https://treecanada.ca/en/programs/greening-canadas-school-grounds/</a>	Environment
