

GRANTS—Community: EcoAction Community Funding Program

Grant Name	Purpose	Eligibility	How to Apply	Important Dates	Contact Info	Grant Type
EcoAction Community Funding Program	The EcoAction Community Funding Program funds projects across Canada to encourage Canadians to take action to address clean air, clean water, climate change and nature issues, and to build the capacity of communities to sustain these activities into the future.	<ul style="list-style-type: none"> •Non-profit organizations are eligible to apply. This includes environmental groups, community groups, youth and seniors groups, community-based associations, service clubs, and Aboriginal organizations. •Organizations must secure at least half of the total project funding from sources other than the federal government. •Organizations must be able to measure the direct positive environmental results of the project and build the community's capacity to take action toward priority environmental issues. 	Please call us to discuss your project idea. We will advise you on the eligibility of your organization and project, and answer any questions you may have on the application process. To learn more about program criteria, eligibility and how to apply, download the Applicant's Guide and Application Form on our website: https://www.ec.gc.ca/ecoaction/default.asp?lang=En&n=FA475FEB-1	The annual application deadline is November 1. Your complete application must be submitted to the Environment Canada office in your area on or before the deadline.
