

Resolution 35A**PROPOSED TRAILS CONNECTION/OFF-HIGHWAY VEHICLE USE
(DEFEATED)**

⇒ Town of Yarmouth

WHEREAS each municipal unit has its own set of circumstances regarding trail connections, responsible use and laws regarding off-highway vehicle traffic; and

WHEREAS municipalities should have the opportunity to explore all options for a rail-to-trail system; and

WHEREAS the Provincial Minister of Transportation and Infrastructure Renewal has the sole authority to designate or make changes or rules that affect off-highway vehicles on all provincial roads and highways;

THEREFORE BE IT RESOLVED that the UNSM write to the Minister of Transportation and Infrastructure Renewal requesting ministerial or designated authority to allow municipalities to formulate their own bylaws for the purpose of making regulations to allow off-highway vehicle traffic to connect to multi-trail systems.
